MATH

This week in math we will continue to add/subtract multi-digit whole numbers and round whole numbers. On Friday, September 18th, students will be given a test covering these skills. A review sheet will be handed out at the beginning of the week. We will work several problems on the review sheet each day in preparation for the test. The review sheet will take the entire week to complete because we will only be working a few problems each day in addition to our regular class assignment. Please don't ask your child to complete it Monday night for homework. This would be too overwhelming, and I would like to be able to talk through and discuss each problem with your child. In addition to Friday's test, students will have a multiplication fact re-test.

Homework

Monday- WB (pink book) pages 29 and 30 /Study facts

Tuesday- Study facts

Wednesday- WB (pink book) pages 33 and 34/Study facts

Thursday- Study review sheet and get it signed for 5 bonus points! Also, study multiplication facts! 😊
