4. 80% pass rate on Math iReady lessons.

Keep Calm and Stay the Course

## **School Meals**

We are extremely pleased to share that **ALL** students enrolled in Pearl Public School District are able to receive **FREE** school meals. This is made possible due to the USDA extending free meal waivers for all students through December 31, 2020, or until funding is exhausted. Beginning Monday, September 14, 2020, any student enrolled in PPSD may receive both breakfast and lunch at no cost. Parents are still encouraged to complete a meal application to determine their meal status once the extension of the program ends in December. The meal applications can be completed online by going to the District website at [www.pearlk12.com](http://www.pearlk12.com) and clicking on the fork & knife icon under the slideshow.

## **Scholastic Book Fair**

Pearl Upper will be hosting a Virtual Scholastic Book Fair October 1 – 14, 2020. This book fair will offer the same books as a traditional book fair, but all shopping will be done online and orders will ship directly to your house. You may shop beginning October 1<sup>st</sup> by going to [www.scholastic.com/fair](http://www.scholastic.com/fair) or by searching for the Book Fair link on the Pearl Upper website.
