

QUEST NEWS

MAY 2024

Hi Parents!

4th Grade Quest

This month students will present their Good, Bad, and Super comics. Our edible kryptonite didn't turn out as planned. Hopefully, we will get an opportunity to make a new batch next year. Students will test their 2d and 3d wands to see which one produces the best bubbles. Surveys about Quest were sent home with students. I would love your feedback on how I can make improvements to the program. Your feedback is important, and your answers will remain anonymous. Please return these to me before school is out for the summer. Your responses will help me with planning for the next school year.

5th Grade Quest

5th grade students will present their passion projects and record and edit their sock puppet dramatizations on bullying. I will send videos out to parents so you can see how hard your child has been working. Surveys about Quest were sent home with students. I would love your feedback on your child's experience in Quest these past 2 years and what I can do differently to make the program better. Your feedback is important, and your answers will remain anonymous. Please return these to me before school is out for the summer.

If you have any questions or comments, please reach out to me on school status. Thanks!
R. Jones
