School Meals

We are extremely pleased to share that ALL students enrolled in Pearl Public School District are able to receive FREE school meals. This is made possible due to the USDA extending free meal waivers for all students through December 31, 2020, or until funding is exhausted. Beginning Monday, September 14, 2020, any student enrolled in PPSD may receive both breakfast and lunch at no cost. Parents are still encouraged to complete a meal application to determine their meal status once the extension of the program ends in December. The meal applications can be completed online by going to the District website at www.pearlk12.com and clicking on the fork & knife icon under the slideshow.

2nd 9 Weeks Incentive Goals

The student must meet 3 out of 4 goals to qualify for the incentive.
