Big Stones

"I like this home. It is cute!" states Hen. Mule nods. Then Mule steps out. He slips on a stone. Wham! "Too many stones in this lane! We must get rid of them right now, Hen." Hen and Mule stack stones. Cat and Dog ride past. "Hen! Mule! We can help!" Cat picks up stones. Hen stacks them. Mule and Dog tug big stones with ropes. Then the pals ate and made jokes. "Hen, I like this home!"

Talk about the story and answer the questions:

Who are the characters in the story? What does Hen say about her new home? What happens when Mule steps out? What is wrong with the lane? Who offers to help? How do they move the big stones? What do the pals do after they move the big stones?
