

## Pearl Public School District Blended/Virtual Learner School Meal Instructions

All students enrolled in Pearl Public School District are able to receive FREE school meals. This is made possible due to the USDA waiver extending the Summer Food Service Program (SFSP) to serve free meals to all enrolled students through December 31, 2020, or until funding is exhausted. Beginning Monday, September 14, 2020, any student enrolled in Pearl Public School District may receive both breakfast and lunch at no cost. Parents are still encouraged to complete a meal application to determine their meal status once the extension of the program ends in December. **Blended/Virtual students must register online to participate in curbside meals.**
