CLASSIC CHEESECAKE FLAVORS

| | | |
|--------------------------|----------|---|
| Simply Supreme | Nut Free | Simply delicious! Our classic supreme cheesecake batter is placed on our delicious butter and graham cracker crust with no nuts, topped with delicious light whipped cream. |
| Simply Chocolate | Nut Free | Anybody like Hershey's?? We do at Jubilations. Chocolate lovers will enjoy our rich chocolate cheesecake on top of a butter chocolate graham nut-free crust, topped with luscious chocolate whipped cream. |
| Chocolate Marble Fantasy | Nut Free | Rich chocolate is marbled into the Supreme cheesecake batter and baked over a nut-free chocolate graham cracker crust for a delicious light chocolate taste. We top it off with rich chocolate whipped cream and then sprinkle with chocolate shavings. The beautiful marbling on this flavor makes it particularly attractive for formal gatherings. |
| Key Lime | Nut Free | Our classic creamy original cheesecake is freshly influenced with key lime and baked on a blonde, nut-free graham cracker crust, and topped with whipped cream to create the perfect balance of lightness and fatness. |
| Strawberry Wave | Nut Free | Both beautiful and delicious, we swirl our Supreme cheesecake with rich strawberry pie filling to make a memorable visual and top it with pink whipped cream, and place it on a blonde graham butter crust without nuts. |
| White Chocolate | Nut Free | Rich white chocolate is carefully melted into our supreme cheesecake filling and baked on a nut-free buttery graham crust. We top it off with delicious yet light whipped cream, garnished on top with white chocolate shavings. |

GOURMET CHEESECAKE FLAVORS

| | | |
|---------------------------------|----------|--|
| Mississippi Mud | | Here in the South we call this one "homemade sin". A chocolate graham cracker crust is loaded with peanuts and laced with butter, and supports our creamy vanilla filling. The cheesecake is finished off with our whipped cream topping, gooey hot fudge, and pieces of Snickers® candy bars to put you in crunchy chocolate heaven. Don't miss this Mississippi specialty. Perfect for out of the state friends and relatives. |
| Cookies & Cream with Oreo® | Nut Free | You know the sensation... twisting the cookie apart and dipping it into creamy milk. We've captured the taste that makes your mouth water with our creamy vanilla cheesecake filled full of broken pieces of those beloved Oreo® cookies baked on a chocolate cookie crust. Then just be sure you get enough Oreo® we float even more on top of a luscious layer of sweetened cream. |
| Red Velvet | Nut Free | You know red velvet cake, but this is stepped-up even more! The bottom half of this cheesecake is red velvet cake. The top half is cheesecake. On top is that delicious cream cheese icing that makes red velvet cake so good. Topped with chocolate chips. This one is beautiful, but wait until you taste it! Red Velvet cake was made for cheesecake. |
| Southern Caramel Praline Pecan | | This southern delicacy is a result of the merger of two ingredients near and dear to the hearts of us who live in Louisiana and Mississippi - real caramel and fresh pecans. Remarkable flavor explodes from our buttery pecan graham crust, covered with cheesecake filling swirled with praline pecans, all topped with specially prepared thick, rich caramel, and ultimately crowned with toasted pecans. |
| Strawberry Shortcake Cheesecake | Nut Free | We've improved the southern delicacy by adding cheesecake to the combination. The bottom half moist, white cake. The top half: creamy delicious cheesecake. In the middle: strawberry fruit compote. Topped with rich whipped cream for a perfect touch. |
| Turtle | | The classic candy done our way - not as sweet but just as rich. From the bottom up: a crunchy chocolate pecan crust, our creamy vanilla cheesecake jammed with chocolate chips, topped with our specially cooked caramel topping, then drizzled with chocolate sauce, and finally crowned with toasted pecans. |
| Coconut | | If you like coconut cream pie, this flavor is for you. A butter graham crust is loaded with coconut cheesecake filling laced with shredded coconut, and the cheesecake is topped with a layer of whipped topping and then sprinkled with toasted coconut. |

GOURMET MONKEY BREAD AND BROWNIES

| | | |
|---------------------------|----------|---|
| Fudge Brownies | Nut Free | You get two of these for the price of one cheesecake! Each box contains two 9" round gooey chocolate chip fudge brownies just waiting for vanilla ice cream (or not). These brownies don't really need refrigeration, though we ship them to you frozen. |
| Butter Pecan Monkey Bread | | Fresh baked bread is formed into bite-sized portions and drenched in cinnamon, butter, and brown sugar, sprinkled with pecans, then jammed together in the pan and baked. When you bring it out of your oven and flip it upside down, you may never feel the same about breakfast again. Though we call this monkey bread, we don't monkey around with any shortcuts. This one is easy to pull bites apart to share, so don't expect it to last long. When bought by the box, you get two of these delectable coffee cakes for the price of one cheesecake! |
