⚓ Pearl Public School District invites parents to participate in [the 2020-2021 Pearl Public School District Parent Comprehensive Needs Assessment](#). The purpose of this survey is to hear your feedback about the individual school your child attends. If you have children in multiple schools, please complete a survey for each school in which you have a child enrolled. All parents are encouraged to participate. You may also access the survey by typing <https://forms.office.com/r/giT6pQa6Wh> or copying and pasting this link into your browser.

⚓ MDE has developed resources for children from birth through grade 12 to learn throughout the summer. Make summer learning fun and engaging by participating in the local public library's summer reading program, watching informational shows on MPB, or using high-quality resources to help all of our students rise to the challenge. [Click here to access these materials.](#)
